GENERAL SECRETARIAT

The General Secretariat is responsible for implementing and monitoring the decision-making process and the provision of secretariat services for all the governing bodies in the Bank. It defines institutional strategy (including the Operational Plan), provides economic analysis on the employment and growth impact of EIB activities and potential new products, and coordinates and develops relations with EU institutions, international and development financing agencies and non-governmental organisations (NGOs). It is also in charge of communications and corporate responsibility. In addition, it supervises the areas of Advisory Services as well as the Bank's external offices.

FINANCIAL CONTROL DIRECTORATE

The Directorate is mainly responsible for informing internal and external stakeholders about the Bank's financial position, results and performance. It has to ensure the integrity, completeness and accuracy of the Bank's financial statements and compliance with the applicable accounting standards and best practices. Since 2016, the Financial Control Directorate has included the Internal Controls Framework Division, which aims at strengthening the Bank's second line of defence and has as per objective to provide a common platform to assess and report on the EIB's control risks.
